COSMIC

When it comes to preventing slips and falls, nothing comes close to Cosmic. With a score of 1.20 for slip resistance – compared to an industry average of .78 – Cosmic ranks highest in the industry for both vinyl and rubber safety flooring. Available in both recycled and original rubber construction, Cosmic is composed of select, rubber granule flecks bound in high-performance weather-resistant polyurethane. From Sky Blue to Solid Black, Cosmic is made in a full palette of color combinations. Ideal for wall to wall installations, heavy duty sewn rubber edging can be added to create virtually any size mat, as well.

USAGE AREAS

Retail, Commercial Showrooms, Fitness Centers, Exercise Rooms, Golf Clubs, Skating Rinks, Wet or Dry Workroom and Warehouse areas.

REGULAR MAINTENANCE

Sweep or dust mop floor (remove gum and debris that may be stuck). Wet mop with a mild detergent, such as Simple Green, and allow to dry. Weekly, if possible, add a capful of the Everseal to your mopwater to reseal after product is cleaned.

MONTHLY MAINTENANCE:

After sweeping, take a hard scrub brush to the floor to remove any scuff marks with a mild detergent and water. Rinse the floor. Take the sealer and spread a coat with a wet mop. Allow floor to dry.

WARRANTY

Limited 3-year warranty.
