Keeping stores safe shouldn't be complicated but it often is.

01. Mats shift, curl, or get misplaced

02. Inconsistent placement across locations

03. Staff forget to replace worn materials

04. Cleaning crews disrupt or remove matting

05. Moisture buildup creates slip hazards and liability

For multi-location businesses, these issues multiply quickly, leading to safety risks, operational headaches, and inconsistent customer experience.

Why Sure Stride?

Sure Stride is engineered specifically for high-traffic commercial environments where moisture and safety are critical.

Slip-Resistant Protection

- Designed to help prevent slips, trips, and falls caused by moisture
- Low-profile construction reduces trip hazards while maintaining a clean look

Advanced Moisture Control

- Quickly dissipates liquids for faster drying
- Built-in moisture barrier prevents soak-through to floors

Hygenic & Durable

- Anti-microbial treatment helps prevent odor and bacteria growth
- Solution-dyed polypropylene construction for long-term performance

Hassle-Free Cleaning

- Mats can remain in place during cleaning
- Compatible with floor scrubbers, vacuums, and mops
- No adhesive transfer upon removal

Built for Efficiency

- Cut-to-size, on-demand installation
- Typical performance lifespan: 3–4 months under normal use
