

ENTRANCE MATTING

Diamond Mat II™

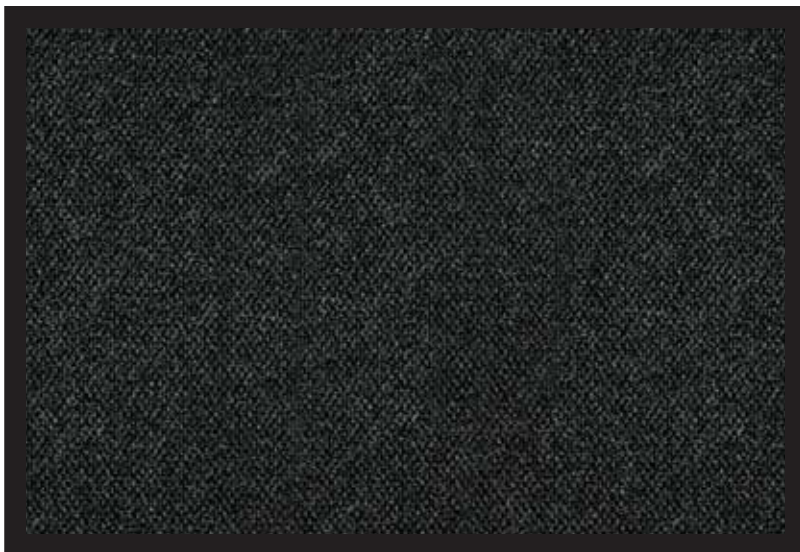

Premium Rugged Entrance Mats

Protect and preserve your entryway
with our premium branded logo mats

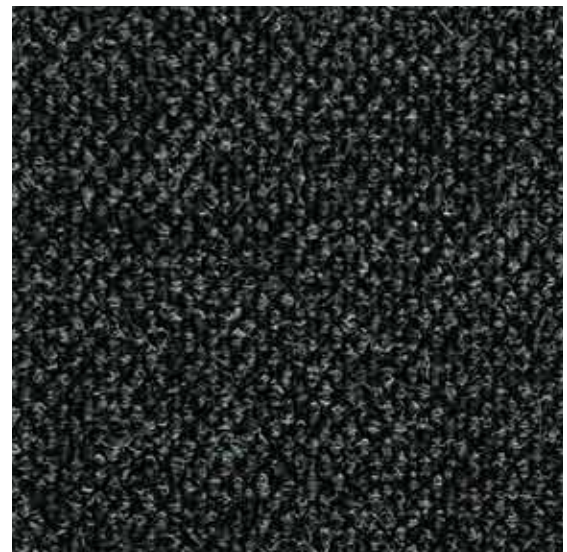

The Matworks has a wide range of entry system solutions to suit every business in every region and climate. Since 1966, it's been our business to make your business safer, cleaner and more beautiful from the ground up.

As durable as it is attractive, Diamond Mat II fiberbonded construction makes it the perfect matting for commercial entrances, lobbies, and any high-traffic, high-style areas. Additionally, Diamond II's pattern of raised diamonds and rich texture make it a highly elegant choice as well.

- Exceptionally rugged materials and construction combined with a unique raised diamond pattern.
- Combines durability, stability, safety, and aesthetics
- Prevents costly slip and fall claims
- Lowers maintenance costs
- Traps dirt, debris, and moisture
- Recessed and floor mounted applications
- Rubber crumb, Bitumen, or TacFast system
- Needle-punched 100% Polypropylene
- Fiberbonded, 3/8" thick, 37oz/sqyd and 50oz/sqyd face weights
- Available in 6' 6" and 13' 2" wide rolls, both up to 50' in length
- Five-Year Limited Warranty
- Available in 16 colors; Custom color matching available
